

Wilson Elementary School Fundraising Checksheet

Funds are used to purchase playground and audiovisual equipment, books, classroom and school supplies, water fountains, etc. that are not included in the regular budget. Send items to school with your child and don't forget to ask family, friends or co-workers to save them for you, too. The more we collect, the more we can spend on much needed items.

Campbell's Labels - just the UPC barcode is needed. No longer need the front of the label--we cannot use the label if the UPC isn't included. We receive points toward items we can purchase for the school. http://www.labelsforeducation.com/pdf/eligible_products.pdf

Tyson Chicken Labels - the strip that says "Project A+123". We receive 24 cents per label.

Boxtops for Education The little square that you see on many products that says "Boxtops for Education". Expiration date must be valid. We receive 10 cents per label.

SchoolRewards - through this

program, we receive up to 10% of every Amazon online purchase as long as shoppers use our SchoolRewards link to access Amazon. Bookmark our link:

Toner Cartridges Wilson School can get a refund check for used toner cartridges that we turn in. Just send them to the office and we'll take care of it.

McDonald's Neighbors Program – anytime that you make a purchase at any Hays, WaKeeney or Russell McDonald's restaurant, save the receipt. We can receive points toward items to purchase for the school. The amount of the order doesn't matter – it is based on the number of receipts we collect.

Subway School Rewards Program

Load a Subway card with cash and link it to Wilson Elementary School at subwayschoolrewards.com. We get 2% of the purchases.
